RAW SPACE

The raw space options contain:

- Space only

All raw space exhibitors MUST order a distribution board if electricity is required, this will be at the cost of the Exhibitor. All other items are the responsibility of the exhibitor, and can be ordered via the exhibitor's manual.

A reminder to all raw space exhibitors that it is your responsibility to ensure that your stand is presentable from ALL angles, please do not rely on the fact that the exhibitor behind or on the side of you will cover up your back/side wall, as their stand may not be the same height as yours. Should a neighboring exhibitor complain that this is not the case, it will be at the organizers' discretion and the exhibitor at fault's cost to rectify the problem. If you have any queries please contact one of the event team members.

All stand designs must be submitted to the organisers for approval by NO LATER than **Friday, 17 February 2017** Please submit a civil engineers certificate for double volume stands (this should be arranged via your contracted stand designer / builder).

Jublia Scan makes it seamless for booth staff to scan leads on-site. The badge scanning app allows exhibitors to easily capture QR codes on attendee badges with their own mobile devices. The users are then able to view basic analytics and export their scanned leads instantly by exporting them as a CSV file to their email.

The system requires each person to download an app from their App/Play Store to their mobile device and for one person to be the main admin in order to download all the leads after the event.

The cost is **75 USD ex VAT** per scanner used. If you would like to proceed with an order please let us know how many scanners you wish to order by the **17 FEBRUARY 2017**. Terrapinn will then send you an invoice and user instructions.

Build-up of stand must be completed no later than **23h00 on Monday evening, 27th March 2017** to allow the hall to be cleaned prior to opening day.

Exhibitors may add the final touches to their stands between **08h00 – 09h30 on Tuesday morning the 28th March 2017**. Please note that doors open at 10h00 therefore stands and exhibitors must be ready to receive visitors at this time.

BREAK DOWN

Contractor and exhibitor breakdown	Wednesday 29th March, 17h00 – 23h00
Contractor breakdown	Thursday 30th March, 06h00 – 12h00

Official Breakdown will take place on **Wednesday, 29th of March from 17h00 – 23h00**. Shell scheme stand exhibitors must remove their goods by **19h00 on Wednesday, 29th of March**. The organiser, venue and show contractor will not be liable for damage or loss to goods that have not been removed by the stipulated time. Please take note that the exhibitor and contractor's stands, products and displays must be removed by **12h00 (midday) on Thursday 30th March** as the venue will close. Terrapinn will remove anything left in the hall at the expense of the exhibitor. Please do not break down any stands before the allocated time.

ELECTRICAL PROCEDURES & REGULATIONS

Any electrical installations must be carried out in a competent manner. Where a fault becomes apparent, the equipment must not be used until the fault has been rectified. All electrical installations must comply with the requirements of the Occupational Health & Safety Act (85 of 183) as amended by the Occupational Health & Safety Act (181 of 1983 and the Labour Relations Act (66 of 1995).

Any electrical installation must comply as follows:

- Each installation shall be effectively bounded to earth
- Wiring shall be three core twin and earth, not less than 1.5mm cross sectional and be PVC, electrometric or other plastic sheathing
- Joints shall not be made except where connecting into a circuit and insulated
- Screwed connectors shall be used and totally enclosed in insulated enclosures
- All wiring shall be effectively protected and fixed to prevent damage and risk of injury
- Cables placed under carpets are prohibited unless suitably protected

The organiser reserves the right to disconnect the electricity supply to any exhibitor whose installations are violating the organiser's regulation, are dangerous or are likely to cause harm to visitors or other exhibitors.

FIREARM LICENSES

No firearms are permitted in the venue during the duration of the show. If you are displaying any firearms on your stand please insure you apply for a licence from the Firearm Licensing Department.

FIRE REGULATIONS

The Fire Department has laid down the following regulations concerning exhibition stands:
(All stands are subject to inspection by the Fire Prevention Bureau at anytime)

- No stand, other than standard shell scheme, shall be constructed either inside or outside a building, unless or until the Organiser has approved a plan of the proposed construction and general layout
- No highly combustible material such as Hessian, straw, paper, polystyrene etc. shall be used in or on the stand without the approval of the Organiser and without fire retardation treatment being applied to the combustible material
- No solid ceiling may be erected without the approval of the Organiser

- No exhibitor shall exceed, in any way, the boundary of his stand, unless arrangements have been made in writing and approved by the Organiser
- Written permission will be required for the storage of or use of hazardous substances, flammable liquids, gas cylinders, open fires and demonstrations with naked flames
- No structure or display shall be placed or constructed so as to impede the ordinary movement of people, nor shall the existing facilities or signs be constructed by any structure or display
- Fire extinguishers on walls, floors or elsewhere may not be removed or obstructed
- All aisles and exhibits must be kept clear at all times
- Absolutely no storage of any kind will be permitted within the confines of the exhibition floor or placed behind the stand or against the walls or curtain
- No gas cooking is permitted at the Sandton Convention Centre
- It is compulsory to have a fire extinguisher on each level of a double storey stand

FLOOR DAMAGE

Every reasonable precaution necessary should be taken when constructing or working on a stand to ensure that no damage is caused to the floor. Exhibitors will be held responsible for any damage caused to the floor and will be subject to a charge. Damaged or missing carpet tiles will also be charged to the exhibitor.

FREIGHT FORWARDING

“TST On-site Management and Logistics” are the sole official freight forwarder and on-site logistics company appointed by Terrapinn Ltd (SA).

GUIDELINES

- Make sure that your stand is neat and tidy at all times
- Smoking is not permitted on the stand
- Although eating at your booth sometimes cannot be avoided, it doesn't look appealing to visitors. Try to organise eating times in the eating areas provided
- Corporate clothing is recommended for the staff representing your company on your stand. Ensure that the staff manning your stand are well informed about your products and services
- Do not leave your stand unattended. If you must leave ask someone in a nearby stand to keep a watch and inform visitors that you will be right back
- Ensure that you have an ample supply of brochures and business cards
- Do not leave any valuable items unattended
- Please ensure you arrive at the show 15 minutes before opening time to ensure your stand is ready for the delegates/visitors
- Please ensure you wear your exhibitor badge at all times to aid security and to gain easy access to the venue

INSURANCE

The Organiser undertakes no financial or legal responsibility for any type of risk concerning or affecting the exhibitors/visitors, their personal belongings and exhibits. Exhibitors are therefore responsible for taking the necessary insurance to cover their exhibits, the stand fittings and fixtures, the venue and other third parties.

NOISE

The nature of the show is such that noise is unavoidable. Exhibitors must expect and accept a certain level of such noise in their stand area. In the event of justifiable complaints from other exhibitors, organisers reserve the right to determine the acceptable sound level and extent of demonstrations.

OCCUPATIONAL HEALTH AND SAFETY ACT AND REGULATIONS

All exhibitors who have raw space only or have a stand builder constructing their stand should note that in terms of the above act it is compulsory that you complete the Notice of Intent form.

PUBLIC ADDRESS SYSTEM

The PA system is restricted to emergencies and essential announcements only. During the show day's announcements over the PA will be made at the Organisers' discretion.

RAW SPACE STANDS ONLY

All stand designers, stand builders and raw space only exhibitors must familiarise themselves with the information below. All designs for raw space only stands must be submitted to the organiser who reserves the right to reject a design which unreasonably obscures or affects nearby exhibitor sites in any way.

All contractors carrying out work shall observe the Safe Working Practices. The details required are, where applicable:

- The form and dimension of every structural member of the construction
- The materials to be used in the construction
- The form and dimensions of every staircase
- The width and position of every exit and escape route within the stand
- The provision made in the construction of the stand for protection against fire and spread of flames. A fire extinguisher is required on each level of a double storey display

These plans, sections, specifications and written particulars must be submitted in a clear and legible manner.

Structured Stability:

All materials used for decorative finishes to stands shall be:

- Able to pass a test of flammability or for surface spread of flame
- Be fixed taut or in tight pleats to a solid backing
- Be secured at floor level
- Shall not ignite when subjected to a flame for ten seconds
- Any paint used shall be water-based. The use of paint sprayers in the venue is not permitted
- Cavities and spaces around stands shall not be used for storage or empty crates, cartons, boxes or packing material

All raw space exhibitors must order a Distribution board to obtain electricity. This cost will be for the exhibitor's own account.

RULES OF THE EXHIBITION

- Exhibitors may not hand out pamphlets, leaflets or any other articles from any area other than from their stand – this includes freestanding signage
- Exhibitors who have ordered raw space only, may not use the shell scheme walls belonging to another exhibitor
- Long urns of walling, particularly along open perimeters of stands are not permitted
- In the interests of the exhibition as a whole, it may be necessary to remove or alter something on the stand. If the Organiser feels this action must be taken, this would be at the expense of the exhibitor concerned
- The Organiser reserves the right to restrict the number of presentations or demonstrations causing obstructions within aisles, and/or is a nuisance to neighbouring stands
- Under no circumstances will the organiser be responsible for receiving or storing of any exhibit or stand material
- Any damage caused as a result of negligence on the exhibitors stand or raw space stands will be invoiced to the exhibitor concerned
- Special stand construction must receive the approval of the Organisers and their appointed engineers.
- If the depth of any display stand area exceeds 15 metres, in any direction, or is enclosed, an alternate escape route / door must be provided
- If any of the above display stands have a first floor, which is greater than 30m², a second means of escape must be provided
- All building material used to construct display stands must be non-combustible or treated with fire retardant material, with certificates supplied accordingly
- No display stands should be provided with closed ceilings – if ceilings are provided these stands must either be sprinkler protected, or relocated a minimum of 3,5 metres on all elevations away from other stands
- Please fill in the required form if exhibitor would like to hang any hanging banners above or around your stand
- No free standing structure may exceed 6 meters in height or exceed the boundaries of the site allocated. This includes company names, advertising material and logos provided by exhibitors
